headquarters head of the ca-

ATLANTIC CITY, March 2.—Dr. Charles L. Bessert, beach censor, to-day announced to Atlantic City and the rest of the world just what will—and what won't be permitted in the way of bathing suits here during the coming summer. What won't be permitted includes.

Women's suits that cling to the skin.

Skin-tight suits for men.

Skin-tight suits for men.

Skin-tight suits for men.

Consorship, Dr. Bossert said, won't better those women who come to the beach wearing full-length stockings and suits containing sufficient cloth. If he is to hold the title of censor he intends to be censor, he says, and he trapagands, which is asperous proportions and turn the classic land of intends to be censor, he says, and he serous proportions and turn the classic land of intends to be censor, he says, and he wants bathers to know right now that he's going to stand for no funny business.

He said that he was announcing June regulations in March because last sea-

distributed classic land of distributed the classic desert.

The said that he was announcing outregulations in March because last season many bathers cannot to the resort
with one-piece suits and asserted that
the anti-alcohol sentibeing fostered by a band

The said that he was announcing outregulations in March because last season many bathers cannot the resort
with one-piece suits and asserted that
they had nothing else. By issuing a
general warning at this time he doesn't
expect a single violation, he says, from
the time the season begins until the
